## PENNSYLVANIA ORPHAN CARE ALLIANCE

With the overturning of Roe vs Wade there has been a greater awareness of the need to support women & their children. We have been contacted by the Pennsylvania Orphan Care Alliance to aid in this support effort. Lydia Shaffer is the Somerset County Coordinator. Lydia will be sharing information regarding POCA on THURSDAY NOVEMBER 10th at 6:30pm in the Annex. Please plan to attend (approximately 1 hour) and learn how you can get involved.

FYI.....The Pennsylvania Orphan Care Alliance was formed in 2020 & launched in Somerset County in January 2022. The Alliance is comprised of representatives from Pennsylvania Christian churches and exists to: Ensure that every Christian is aware of the plight of orphans and vulnerable children locally & globally, Motivate every believer to engage in their responsibility to care for orphans and vulnerable children, and Provide Biblically-based resources and material support to help create well-equipped homes for every orphan and vulnerable child in Pennsylvania.

Please go to [www.paorphancarealliance.com](http://www.paorphancarealliance.com) to learn more about their mission.
